

SASEV-WINETECH 41st International CONFERENCE

2-4 Oct 2018 | NH Charles Hotel, Somerset West, South Africa

What is novel and innovative in Grapevine and Wine Sciences?

TUESDAY 2 OCTOBER 2018

W02

ALTERNATIVE TRELLIS SYSTEMS – MAKING THE RIGHT CHOICE

This workshop will focus on different types of alternative trellis systems and what practical aspects to take into account when considering to implement each of these systems. Learn more about how each system should be developed as well as long and short term management implications of each, in an interactive atmosphere where case studies will also form part of the discussion.

COORDINATOR: Lucinda Heyns (Winetech)
