Welcome message

Dear Industry Colleagues

We invite industry supporters to make the most of this valuable opportunity to collaborate with SASEV by becoming a sponsor the Information Days.

SASEV is the leading partner in scientific knowledge for the South Africa grape and wine industries and provides a strong platform for interaction and knowledge sharing with delegates, and we look forward to welcoming back our valued sponsors and providing opportunities for new partners.

This "roadshow" event will be live and give sponsors maximum visibility. The live event will give ample opportunity for exposure and networking with delegates giving the sponsors maximum and extended reach and visibility.

We look forward to working with you and thank you in advance for your important support of the Information Days. Add a little bit of body text
